

VERSATILE CORGI (VC) AND VERSATILE CORGI EXCELLENT (VCX) AWARDS

These awards are open to all Pembroke Welsh Corgis who meet the requirements and apply for the award. These awards are earned on a point system (see below). **Points earned in each performance category are not cumulative, rather points are only awarded for the highest title achieved in each performance area.** **Rally Novice nor any Virtual Titles do not count in the calculation of the VC or VCX awards.** It is not necessary to apply the same year the points are accumulated, applications will be accepted at any time; however, owners are responsible for submitting an application by February 28th of the year following the completion of the VC or VCX for inclusion in the current handbook.

VC REQUIREMENTS:

Pembroke Welsh Corgi must have earned titles with points in 3 of 5 AKC categories (Conformation, Obedience/Rally, Tracking/Scent Work, Herding, or Agility) with a total of 20 points or more.

VCX REQUIREMENTS:

The VCX Award may be achieved in one of two ways. Option 1 requires a Herding title. Option 2 does not but more points are required for the award.

1. Pembroke Welsh Corgi must have earned titles with points in at least 3 of the 4 AKC *performance categories* (Obedience/Rally, Tracking/Scent Work, Herding, or Agility). One of these titles must be a UDX, OTCH, SWM, TDX, VST, HX, PACH 8" or MACH, and a **Herding title is required** with 26 points or more. Conformation CH points can count toward the total.
2. Pembroke Welsh Corgi must have earned titles with points in at least 3 of the 4 AKC *performance categories* (Obedience/Rally, Tracking/Scent Work, Herding, or Agility). One of these titles must be a UDX, OTCH, SWM, TDX, VST, HX, PACH 8" or MACH, and a **Herding title is not required**. A total of 32 points is necessary for this award. Conformation CH points can count toward the total.

Notes:

VCX qualifying titles in each performance category are **boldfaced**.

*Obedience/Rally titles count as one category. Multiple titles may not be combined, the highest point level earned in this category is what counts. Where Virtual titles may be earned and not differentiated, the competitive trials where legs were earned must be listed.

**Tracking/Scent Work titles count as one category. Multiple titles may not be combined, the highest point level earned in this category is what counts

***Herding – Only one title is credited per type of stock, and only on one course. For example, an HS on ducks, cows or sheep is credited as an HS, and the course on which it is earned does not matter.

****Agility – Dogs must earn standard and jumpers titles at each level to receive credit for the points. PACH 8" must provide trials where legs have been earned.
