

PWCCA VC/VCX Update Application

The PWCCA is allowing a ONE-TIME update to the VC-VCX lists that are published on the website. While we can't possibly keep up with the myriad of titles that a corgi can earn while competing, once they retire from competition, you can apply for an update. This is for AKC titles only, and will be verified. If a corgi has a VC and VCX it will only be updated on the VCX list. The updates will be done once a year when the newest awardees are added.
